ALPHARETTA, Ga.--(BUSINESS WIRE)--Aug. 4, 2025-- Priority Technology Holdings, Inc. (NASDAQ: PRTH) ("Priority" or the "Company"), the payments and banking solution that streamlines collecting, storing, lending and sending money to unlock revenue opportunities, today announced the successful closing of \$1.1 billion in new senior credit facilities, consisting of a \$1 billion term loan with a 7-year maturity and a \$100 million revolving credit facility with a 5-year maturity.

The loan proceeds will be used to refinance existing debt, to satisfy outstanding obligations related to the 2023 acquisition of Plastiq, to fund strategic growth initiatives and for general corporate purposes. "The successful issuance of these credit facilities on favorable terms demonstrates the capital market's confidence in our business model and growth trajectory. We appreciate the strong support of both existing and new investors in this financing and look forward to continuing our focus on execution."
